MSc CORPORATE GOVERNANCE

EBS Students at Leeds Metropolitan University

Specially designed for busy Directors & Executives, the programme explores board level business dynamics, structures and critical decision making processes for those who aspire to strategically lead their organisation in a global market.

Key Features

- ☐ Unique accelerated fast-track route to an executive masters qualification
- ☐ Recognition of prior qualifications - enabling you to gain advanced standing
- ☐ Eight month programme with two week taught element in UK
- ☐ Enables you to develop your network, share ideas and learn from the practical experiences of other like-minded individuals on the programme
- ☐ A rich and stimulating blend of teaching and learning strategies used in the programme to enable you to develop critical insight in to the role of the director and the board
- ☐ Automatic Membership of the UK Chartered Institute of Management
- ☐ Ability to proceed to PhD or DBA
- ☐ Assessment based on coursework, assignment, case-study and dissertation No formal examination

This programme goes beyond executive MBA and deals with the critical leadership and governance issues facing directors in a competitive global market. To gain entry on to this fast-track programme you will hold a first degree or equivalent qualification (**ACA, ACCA, ACS, ACIB, ACMA, CPA, ACIS, ACII**) or hold an MBA or appropriate masters award.
